ABOUT

Knock Out or Rocky to his friends has been based at Sovereign Equestrian since a 3yr old where he has gone onto win 4yr old style and performance championships, he was reserve National 4yr old Champion. He jumped double clear in 5yr old classes being one of a handful of horses to share the 5yr old bonus at the Bolesworth Young Horse Championships. As a 6yr old he won the 6yr old GP at Sentower Park as well as qualifying for the Big Star 6yr old Championship.

He has started 2022 like he means to go on, he was double clear and placed in the 1.35/1.40m 7yr old classes at the Welsh Masters Championships as well as qualifying for the Winter 7yr old final and the Winter Grade C final.

Rocky's British Showjumping record to date is 50 double clear rounds from 85 outings since he started jumping as a 4yr old and being placed 16 times in the top 3 and winning 10 of those competitions.

He has the most wonderful temperament; he is like a rubber ball with explosive power off the floor. He is sure to add quality to any mare and we are excited to see his foals on the floor.
